

LOCATION SKETCHING

NARRATIVE STORY

A frazzled-looking father took his five-year-old daughter and one-year-old son to a clothing store to pick up autumn clothes. The daughter saw the exquisite skirt on the shelf and ran over to have a closer look at it. The father could see that the daughter wanted the dress very much, but the father thought that the daughter had enough clothes. The daughter is very sensible, did not say “I Want this skirt”, and just reluctantly left the shelf. Finally, the man dragged his tired body and two children home. The Boy had fallen asleep in the pram, while his sister was still thinking about the exquisite dress.
